## BIG PROFITS Small Investments.

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful Speculation in Grain, Provisions and Stock.

**\$10.00** FOR EACH DOLLAR INVESTED can be made by our Systematic Plan of Speculation

originated by us. All successful speculators operate on a regular system. It is a well-known fact that there are thousands of men in all parts of the United States who by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 to \$100,000 or more by those who invest a few thousand. It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading. Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time. WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. ALL FREE. Our Manual explains margin trading fully. Highest references in regard to our standing and success. For further information address

## Waverley Bicycles

Are the Highest of all HIGH GRADES

Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

RICHMOND, VA., OCTOBER 24, 1894.

Indiana Bicycle Co., Indianapolis, Ind.—Gentlemen: The Waverley, Scourler and Belle came to hand yesterday. We are afraid you have sent us the high priced wheel by mistake. You can't mean to tell us that this wheel retails for \$87? We must say that it is, without exception, the prettiest wheel we have seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MERCEY & CO.

A good Agent is wanted in every town where we are not satisfactorily represented. Splendid business awaits the right man. Illustrated Catalogue free.

INDIANA BICYCLE CO. INDIANAPOLIS, IND.
